The 2006 NPS Management Policies can be found at www.nps.gov/policy/MP2006.pdf.

Background Information

Grand Canyon National Park Superintendent Steve Martin will present the National Park Service responsibilities in the area of research, resource management, and monitoring for resource values along the Colorado River. He will describe ongoing research and monitoring in relation to those responsibilities. Finally, he will discuss his recommendation for a shift in responsibility to the National Park Service for certain areas of GCDAMP research and monitoring.
